

Dear Players & Parents,

We are delighted to announce our new partnership with MDH Sports & Leisure to supply the Centre of Excellence squads with their training kit, tracksuits and travel wear for the coming 2009-10 season.

You will find a leaflet enclosed with this letter which shows the full range of R&DFC merchandise available for you to purchase, at preferential club prices, which we hope you will find to be of interest.

So, how does it work from here ?.....

How & Where Do I Place My Order ?

On the leaflet, simply mark the quantity in the boxes for any items you wish to purchase, making sure to include any of the optional personalisation choices which are listed at the foot of each table.

Only if you have requested printed initials or players sponsor, please complete the 2 boxes below:

Please print your full contact details and address for delivery below:

Players Name: Players Team/Age Group:.....

Your Address:

Add up the prices of all of the items you have ordered and enclose your order, and your cheque (**made payable to MDH Sports & Leisure**) with this letter and post it directly (or hand it in person) to:

MDH TEAMWEAR, Unit 1 St Marys Business Park, Albany Road, Market Harborough LE16 7QJ or
MDH SPORTS & LEISURE, 1 Cambridge Street, Wellingborough, Northants NN8 1DJ

(Regrettably debit/credit card payment for R&DFC clubwear orders cannot be taken)

Do I Have to Order Everything In One Go ?

No – You can place orders as often as you like (or your budget permits), throughout the season.

Simply request another copy of the leaflet and this letter from the club whenever you need to place any additional orders.

When Will My Order Be Delivered ?

Obviously, this will always depend on the stock availability at the Macron Central European Warehouse in Italy. Both we as a club and MDH are totally dependant on this one issue and therefore it is impossible to provide an absolute guarantee time for delivery of your order.

MDH have a very professional set up which is ready to embroider the club badge and print the player's initials and/or sponsor details and, subject to timely deliveries into them from Macron, you should generally allow a 2-3 week turnaround for your items.

Once finished, all orders will be delivered (on a weekly basis) to the Club and you will be notified by the manager for your child's team that your items are ready for collection.
